

St Anne's Infants' School Improvement Plan Summary

2024-2025

Quality of Education	Continue to strengthen provision for all children with SEND
	Improve pupil outcomes in maths by developing teachers' subject knowledge and addressing gaps in learning
	Improve all pupils' knowledge and understanding in foundation subjects with a focus on DT, science and provision for pupils with SEND
Behaviour + Attitudes	Develop children's emotional literacy and strategies for self-regulation
Personal Development	Continue to deepen staff and children's understanding of the protected characteristics through working towards an EDI Quality Mark
Leadership + Management	Increase collaboration and strengthen leadership by joining a Multi-Academy Trust
EYFS	Further develop support for language development with a focus on children with EAL and SEND across EYFS
	Narrow the gap between disadvantaged children and their peers in writing in Reception
