

## Grow a Pound Market!

 After a very successful event last year, the Friends of St Anne's are re-running the "Grow a Pound Market" to raise money for the school. This event helps the school provide extra activities for the children. It is also a fun way for children to learn how to use money and be creative.

### Your support over the past year has helped to fund:

-  New bike racks
-  Music assemblies
-  School trips
-  Playground plants
-  Flowers for Mother's Day

And much more.

### How it works:

1. **Get £1:** Every child will be given £1
2. **Grow it:** Children use the £1 to buy things to make something new
3. **Sell it:** They sell what they make at the market to make a profit
4. **Team up:** Children can work alone or in a group with friends or siblings to have more money to start with.
5. **The deadline:** Children have from now until **Friday 5th June** to make their items.

### Children are encouraged to use their creativity and imagination, but here are some ideas to inspire them:

-  Buy ingredients to bake and sell cakes
-  Buy a second-hand teddy for a "guess the name" game
-  Set up a "how many sweets in the jar" game
-  Make and sell crafts

### The Market Day

- **When:** Friday 5th June, 3:30pm – 4:30pm.
- **Where:** St Anne's Church Hall.
- **Setup:** Parents and carers need to help children bring their items to the hall and set up their stall. Tables will be provided.
- **Who:** Everyone is welcome! Bring your family and friends.

### Returning the money

Please put the money your child makes in an envelope marked "**Grow a Pound**" and put it in the **Grow a £1 Post Box** outside the school office by **12<sup>th</sup> June**.

You can also pay the money online here: <https://www.peoplesfundraising.com/fundraising/grow-a-1-summer-fundraising-event>

### Thank you for supporting the school!

*Note: This is an optional activity. If you do not want to take part, please return the £1 to the school.*

## Grow a Pound Market!

 After a very successful event last year, the Friends of St Anne's are re-running the "Grow a Pound Market" to raise money for the school. This event helps the school provide extra activities for the children. It is also a fun way for children to learn how to use money and be creative.

### Your support over the past year has helped to fund:

-  New bike racks
-  Music assemblies
-  School trips
-  Playground plants
-  Flowers for Mother's Day

And much more.

### How it works:

1. **Get £1:** Every child will be given £1
2. **Grow it:** Children use the £1 to buy things to make something new
3. **Sell it:** They sell what they make at the market to make a profit
4. **Team up:** Children can work alone or in a group with friends or siblings to have more money to start with.
5. **The deadline:** Children have from now until **Friday 5th June** to make their items.

### Children are encouraged to use their creativity and imagination, but here are some ideas to inspire them:

-  Buy ingredients to bake and sell cakes
-  Buy a second-hand teddy for a "guess the name" game
-  Set up a "how many sweets in the jar" game
-  Make and sell crafts

### The Market Day

- **When:** Friday 5th June, 3:30pm – 4:30pm.
- **Where:** St Anne's Church Hall.
- **Setup:** Parents and carers need to help children bring their items to the hall and set up their stall. Tables will be provided.
- **Who:** Everyone is welcome! Bring your family and friends.

### Returning the money

Please put the money your child makes in an envelope marked "**Grow a Pound**" and put it in the **Grow a £1 Post Box** outside the school office by **12<sup>th</sup> June**.

You can also pay the money online here: <https://www.peoplesfundraising.com/fundraising/grow-a-1-summer-fundraising-event>

### Thank you for supporting the school!

## Grow a Pound Market!

 After a very successful event last year, the Friends of St Anne's are re-running the "Grow a Pound Market" to raise money for the school. This event helps the school provide extra activities for the children. It is also a fun way for children to learn how to use money and be creative.

### Your support over the past year has helped to fund:

-  New bike racks
-  Music assemblies
-  School trips
-  Playground plants
-  Flowers for Mother's Day

And much more.

### How it works:

1. **Get £1:** Every child will be given £1
2. **Grow it:** Children use the £1 to buy things to make something new
3. **Sell it:** They sell what they make at the market to make a profit
4. **Team up:** Children can work alone or in a group with friends or siblings to have more money to start with.
5. **The deadline:** Children have from now until **Friday 5th June** to make their items.

### Children are encouraged to use their creativity and imagination, but here are some ideas to inspire them:

-  Buy ingredients to bake and sell cakes
-  Buy a second-hand teddy for a "guess the name" game
-  Set up a "how many sweets in the jar" game
-  Make and sell crafts

### The Market Day

- **When:** Friday 5th June, 3:30pm – 4:30pm.
- **Where:** St Anne's Church Hall.
- **Setup:** Parents and carers need to help children bring their items to the hall and set up their stall. Tables will be provided.
- **Who:** Everyone is welcome! Bring your family and friends.

### Returning the money

Please put the money your child makes in an envelope marked "**Grow a Pound**" and put it in the **Grow a £1 Post Box** outside the school office by **12<sup>th</sup> June**.

You can also pay the money online here: <https://www.peoplesfundraising.com/fundraising/grow-a-1-summer-fundraising-event>
